STRESS-FREE PROPERTY MANAGEMENT

Whether you're a long-term investor or perhaps have a flat or house you need to rent out, or are looking for new tenants for an existing property, Glenham can take the hard work and stress out of being a landlord.

Our main objectives are to maximise your returns and mitigate your risk. We know the letting process and the local market inside out – so you can rest assured that your property will be in safe hands.

MULTI-AWARD WINNING
GLENHAM OFFERS A
COMPREHENSIVE RANGE OF
PROPERTY MANAGEMENT
SERVICES FROM LET-ONLY
TO OUR FULL MANAGEMENT
PACKAGE.

WE HAVE WON SILVER MULTIPLE TIMES AND WON THE PRESTIGIOUS GOLD AWARD AS THE BEST AGENT IN SCOTLAND FOR SERVICE IN 2021.

FINDING THE RIGHT TENANTS

Whatever level of service you choose, we'll market your property on the widest range of online platforms as well as our own website and our social media channels. We also have a database of prospective tenants and we'll let them know if your property matches their requirements. It goes without saying that we also use more traditional marketing methods such as 'to let' signs and printed literature since these continue to be very effective.

A PROFESSIONAL SERVICE

You can rest assured that we'll find you a tenant who respects your property. We'll screen and select them, secure references and run credit checks. For extra peace of mind, we'll arrange rent protection for your property so that you'll still receive your income and legal expenses even if your tenants default on payments.

And if you opt for our full management service we'll also take care of all ongoing day-to-day administration, and carry out all inspections and maintenance on your behalf.

HELPING CLIENTS
MAXIMISE THEIR RETURNS

At Glenham we pride ourselves on following a professional code of conduct and providing the highest levels of service.

We're members of the Association of Residential Letting Agents (ARLA), the Landlord Accreditation Scotland Scheme and we're accountable to the Property Ombudsman.

To protect your interests, we also have a separate clients' account, client money protection and professional indemnity insurance.

THE FLAT WAS SPOTLESS AND IN THE SAME CONDITION IT WAS WHEN THE TENANTS MOVED IN. PARTICULARLY WELCOME WHEN THE FLAT IS MY OWN HOME.

DEDICATED SUPPORT

As our client, you'll be assigned a dedicated property manager who is only a phone call away if you need advice or have a question. Our web-based technology gives you access to your account at all times so you can see exactly what's happening with your property anytime of the day or night – and in any time zone!

Our tenants, who also have a dedicated property manager, get a welcome pack that sets out clearly their responsibilities, including care of your property and transfer of council tax, utility and other bills.

We collect and transfer deposits into the tenancy deposit custodial scheme on your behalf and the rent is paid monthly into your account, at which point you'll also get an updated financial statement (available online as well) so that you can see exactly how your investment is performing.
